Patient Participation Group

Working together to improve your patient experience

Patient Survey

(Access to the surgery and it's services)

The PPG is run by patient volunteers and the Practice Manager. We meet with Practice staff every three months, or more frequently if needed, to explore how we can enhance services and foster a positive relationship between the practice, its patients, and the wider community.

Our goal is to improve two-way communication and address the changes we, as patients, desire.

We are undertaking a survey from the 12th of May to 6th June to gather insights on access to the surgery and its services, and we would love to hear your thoughts! It's quick, just 12 questions and your input will help improve services and shape future enhancements.

Copies will be available via the surgery, or by e-mailing
ChetvalleymedicalpracticePPG@Gmail.com

If you are interested in being part of shaping the future of your surgery, are willing to do something very worthwhile for the local community why not become a committee member or friend of the PPG, please contact us via email. ChetvalleymedicalpracticePPG@Gmail.com to express your interest.
